

CORPORATE VOLUNTEER OPPORTUNITIES

The PACT Urban Peace Program is an award-winning, outcome-driven and cost conscious registered charity in Toronto. PACT has a grassroots beginning and a social entrepreneurial approach, and operates with the belief that it's the community's responsibility to provide the best programs at the earliest stages to create and maintain peaceful and safe environments.

PACT empowers and supports at-risk youth and facilitates positive change through the following key program areas:

- LifePlan Coaching Program for higher risk repeat offenders (ages 14-18)
- Life & Job Skills Community Service Projects for youth, ages 13-21
- PACT Grow-to-Learn Schoolyard Gardens

Spring 2018 Corporate Volunteer Opportunities in our Grow-to-Learn School Gardens

1. Spring Set-Up, Garden Workday (April 2018)

Spend an active, hands-on half or full day in one of our school gardens to help get it set-up and prepared for the growing season. Although this can be tailored to your group, spring set-up usually involves clearing, organizing, sowing, weeding, raking, and repairing any winter damage.

Our John Polanyi CI site has an outdoor kitchen and covered seating for large groups, ideal for garden lunches. Please contact us for more details.

2. Help Create a School Orchard (April 2018)

Work alongside garden managers to bring a new fruit orchard to life at our Elmbank Junior Middle Academy site. Choose to participate for a half or full day of physical, hand-on tasks in a natural environment. This will involved clearing the area, digging, and planting new trees and bushes.

Ideal for small or large groups. Please contact us for more details.

3. Host a Garden Market & Community Dinner

Spend about 5-8 hours in an outdoor, natural learning environment while helping to set-up for our weekly garden market and community dinner. Tasks include purchasing groceries for the communal meal, cooking in our outdoor kitchen, harvesting and tending to the gardens, setting up the market and helping with clean up.

10-25 volunteers / Tuesdays May-October / 5-8 hours

4. Seasonal Garden-to-Table Harvesting

Learn to make seasonal goods such as apple cider, sauerkraut, berry jam and more. Tasks include harvesting fruit and vegetables and/or making jarred goods to be sold in our markets and donated to local feeding programs.

Best for smaller groups, up to 10 people.

For more information how your corporate group can get involved in supporting the community, please contact
Paige Lockett at 416-417-0803 or
paige@pactprogram.ca.
